Board Agenda

The meetings of the Board are governed by a structured agenda. The Agenda for the Board Meeting covers items set out as per the requirements of the Act and the Listing Regulations to the extent these are relevant and applicable. All agenda items are supported by relevant information and documents to enable the Board to take informed decisions. The Board members in consultation with the Chairman may bring upon other matters for consideration at the Board Meeting. Members of the Senior Management are occasionally present in the meeting as special invitee, as and when required. The Notice and Agenda of each Board Meeting is given in advance to all the Directors.

Information placed before the Board

Necessary information as required under statute and as per the guidelines on Corporate Governance are placed before the Board, from time to time. The Board periodically reviews compliances of various laws applicable to the Company and the items required to be placed before it. Draft minutes are circulated amongst the Directors for their comments within the period stipulated under the applicable laws. The minutes of the proceedings of the meetings are entered in the Minutes Book and thereafter signed by the Chairman.

Code of Conduct

The Company has adopted "Code of Conduct" for Board Members and Senior Management of the Company. The Code anchors ethical and legal behaviour within the organisation. The Code is available on the Company's website: <http://www.manaksia.com/images/pdf/coc/code-of-conduct-business-ethics-steels.pdf>

All Board members and Senior Management Executives have affirmed compliance with the Code of Conduct. A declaration signed by the Managing Director to this effect is enclosed at the end of this Report.

Pursuant to the provisions of section 149(8) of the Act, the Independent Directors shall abide by the provisions specified in Schedule IV to the Act, which laid down a code for Independent Directors. The said Schedule forms part of the appointment letter of the Independent Directors, which has been placed on the website of the Company.

WHISTLE BLOWER POLICY

The Company has adopted a Whistle Blower Policy, as part of vigil mechanism to provide appropriate avenues to the Directors and employees to bring to the attention of the management any issue which is perceived to be in violation of or in conflict with the fundamental business principles of the Company. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview

The world economy grew at a stable pace of 3.1% in calendar year 2016, aided by recovery in emerging economies, while growth in developed markets remained modest. Increase in oil prices along with other major commodities like iron ore and copper aided recovery in global trade towards the end of calendar year 2016. The uptick in global trade was led by pickup in import demand in Asia and US which augurs well for underlying demand trends. While global growth was stable, markets were focused on geopolitical developments with change in leadership in the USA, and the UK working on modalities around its exit from the European Union.

Activity rebounded in the USA after a weak first half of calendar year 2016, as the economy approaches full employment. The US Federal Reserve continued with the interest rate normalisation cycle in financial year 2016-17 by increasing rates twice, in December 2016 and March 2017. The global low interest rate and abundant liquidity cycle is likely to slowly normalise.

On the domestic front, India remained the fastest growing major economy in the world, after surpassing China last year.

Gross Domestic Product growth rate was 7.1% for financial year 2016-17, supported by strong consumption growth and government spending. Inflation eased sharply led by a decline in food inflation amidst government's astute food management, facilitating a 50 basis points rate cut by the RBI in FY 2016-17 before it adopted a neutral stance. Diminishing vulnerabilities on the external and fiscal front with April-December financial year 2016-17, current account deficit at 0.7% of GDP and Government's commitment to fiscal consolidation reinstated investor confidence in the economy, resulting in record Net Foreign Direct Investment of US\$35.9 billion in FY 2016-17.

FY 2016-17 was also marked by two significant economic measures by the Government. Government's demonetization move to counter the shadow economy and promote cashless economy has boosted digital payments in the country. The Goods and Services Tax (GST) - Constitution Amendment Bill, passed by the Government and to be implemented from 1st July, 2017 should have a significant impact on the taxation structure in the country. The reform process would further help boost India's position in the global arena.

Industry Structure and Developments

Steel market conditions improved slightly in some regions, but crisis conditions continue to prevail in some economies. It is uncertain whether the positive momentum observed earlier in 2016 is robust and sustainable. Significant headwinds related to financial vulnerabilities and unaddressed overcapacity, cloud the outlook.

Steel market sentiment is still bearish, though slight improvement was seen during the first half of 2016, amid an upturn in steel demand and prices. Monthly steel consumption figures had rapidly decreased in some major steel-consuming economies during 2015. Demand for steel products has shown tentative signs of recovery in a few economies in the beginning of 2016. Growth in world crude steel production has decelerated significantly in the past three years. World steel production continued to decline sharply during the first months of 2016, but since then the rate of decline has diminished. In July 2016, world production registered an increase in year-on-year terms.

After a surge in exports during 2015, steel export volumes have gradually started to adjust downwards. Steel prices responded positively to the modest upturn in steel demand during the first half of 2016, even in a context of ample supply. The world steel price index, which had been trending downwards since the second quarter of 2011, bottomed out in December 2015 and has been recovering since then.

Prices of key steelmaking raw materials fell sharply in 2015, but began to stabilise in the beginning of 2016. Since then, prices have shown significant monthly gains, though scrap prices have receded again recently. The financial situation in the steel sector is very fragile. Continued subdued financial performance pose serious risks to the steel sector and could affect other parts of the economy.

The three-year period from 2015 to 2017 is expected to be characterised by a gradual bottoming out of global steel demand growth. World steel demand has recovered already in 2016 by 0.2% and is expected to recover by 0.5% in 2017.

Market sentiment has been stronger in the U.S. and Europe, however with considerable volatility in the indices, steel market sentiment remains weaker in Asia.

India's steel sector posted a robust 11% growth in production in 2016-17 at 101.2 MT even as domestic consumption remained anaemic mainly due to poor offtake from the end-use segments like construction, automobiles and white goods sector. Major players like SAIL, RINL, Tata Steel, Essar, JSWL & JSPL together produced 57.5 MT during April-March 2016-17, which was a growth of 18.5% compared to the same period last year; while production for other producers was down by 1.2%, according to Joint Plant Committee (JPC) report.

JPC data showed that exports more than doubled during the year to 8.24 MT during the year from 4.07 MT a year ago. Imports, on the other hand, have declined by 37% to 7.42 MT during the year, making India a net exporter of steel.

To protect manufacturers of primary steel products, India had from April 2015 taken a slew of measures to counter predatory imports including raising import duty, imposition of minimum import price (MIP), anti-dumping duty and safeguard duty.

Industry is hopeful that the Government's voluminous investment budgeted for the infrastructure sector in the current fiscal, would result in substantial increase in steel consumption.

Business

Manaksia Steels Limited is a manufacturer of value added secondary steel products and is poised to cater to the increasing global demands of the housing and infrastructure sectors.

The Company manufactures and sells value added steel products comprising Cold Rolled Sheets used in interior and exterior panels of automobiles, buses and commercial vehicles, Galvanised Corrugated Sheets which find use in the rural housing sector and factory buildings and Galvanised Plain Sheets, used in the manufacture of containers and water tanks and Colour Coated (Pre-painted) Coils and Sheets for sale to construction, housing, consumer durable and other industries. The principal raw material for the products of the Company is Hot Rolled Steel Coils.

The Company has a 120,000 MTPA Steel Cold Rolling Plant at Haldia for manufacture of Cold Rolled Coils and Sheets and continuous Galvanizing plants at Bankura (30,000 MTPA) and Haldia (60,000 MTPA). Both the plants have a strong Quality Management System with in-house testing facilities and are ISO 9001:2008 certified. The Company has facilities at Haldia for further value addition of Steel and Aluminium Products, where Galvanized Steel Sheets and Cold Rolled Aluminium Sheets are pre-painted/colour coated in a 48,000 MTPA colour coating line. The Company has also facilities for Roll Forming/Profiling for direct supply to projects for industrial roofing as a part of such value addition.

Overview of Operations

Results

During the year under review, the revenue of your Company stood at ₹ 33,400.65 lacs, as compared to ₹ 28,933.18 lacs during the last financial year. During the year, the Company earned a net profit of ₹ 897.78 lacs as compared to a profit of ₹ 497.82 lacs during the last financial year. The increase in turnover/profit was due to improved sales and realizations. These results could have further improved, had it not been for certain protectionist measures adopted by the Central Government to protect primary steel producers.

Safeguard Duty, imposed by the Government on imports of "Hot Rolled Steel Coils" – the principal raw material of your Company remained in force for a major part of the year under review, while certain finished products of secondary manufacturers continued to be imported at same basic duty rates as Hot Rolled Steel Coils for a part of the year, but without safeguard duty. This fallacy on the part of the Government resulted in a substantial increase in the input cost of raw materials for your Company. The introduction of Minimum Import Price on steel products also caused the prices of "Hot Rolled Steel Coils" to rise.

Further, the anti-dumping investigation concerning "Hot Rolled Steel Coils" initiated soon after imposition of Safeguard Duty and introduction of Minimum Import Price – both of which had already severely jeopardized our business, proved to be majorly detrimental for secondary steel industries.

Risks and Concerns

Your Company is actively, albeit cautiously, looking for growth opportunities and new markets for its products. The Company is exposed to a number of market risks arising from its normal business activities. These risks include changes in raw material prices caused due to market fluctuations and imposition of various government duties – as in the recent times, foreign currency exchange rate, interest rate which may adversely impact the Company's financial assets, liabilities and/or future cash flows. The Company continues to mitigate these risks by careful planning of optimum sales mix, active treasury management, product diversification, innovation and penetration in different markets, both domestic and international. Further cost saving measures across all segments of the Company, would help in improving the margins in an otherwise difficult market.

Opportunities and Threats

A diversified product portfolio and considerably wide geographical reach, both domestic and international, have helped the Company to significantly de-risk its business and meet the risks with suitable precaution. The Company is focused on enhancing value added products. Improvement in safety performance is of utmost priority, for which the Company has constantly been initiating measures to avert accidents. The Company has sales and technical servicing offices at Mumbai, Delhi and Bangalore.

Internal Control Systems

The Company has an effective system of internal controls which helps it to maintain both internal controls and procedures to ensure all transactions are authorised, recorded and reported correctly and also ensure disclosure and protection of physical and intellectual property. The Company appointed a firm of Chartered Accountants as Internal Auditors who independently evaluate the adequacy of the internal controls on a regular basis. For transparency and effectiveness, the management duly considers and takes appropriate action on the recommendations made by Statutory Auditors, Internal Auditors and by Management Committee/Audit Committee of the Board of Directors. The Company is running on SAP Platform in order to have proper internal control procedure with the required authorization and “maker and checker” concept. This helps in correct recording of transactions and elimination and timely rectification of errors. The Company has appointed consultants/ professionals to conduct Cost Audit and Secretarial Audit and observations made, if any, are reviewed by the Management periodically and corrective actions are taken. The Company is also incorporating necessary changes in the ERP system as required for migration to Goods and Services Tax regime to be implemented from 1st July, 2017.

Human Resources

Employee relations continued to be cordial throughout the year and recruitments were made commensurate with the needs of business. The Company employs about 150 people in all its facilities.

Finance Cost

Finance Cost, during the year under review stood at ₹ 442.94 lacs, as compared to ₹ 231.64 lacs during the last financial year. The increase in finance cost is attributable to increased availment of cash credit and buyers' credit facilities from the banks.

Cautionary Statement

Statements in the Management Discussion and Analysis, describing the Company's objectives, outlook and expectation, may constitute “Forward Looking Statements” within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied expectations, projections etc. Several factors make a significant difference to the Company's operations, including climatic conditions, economic scenario affecting demand and supply, Government regulations, taxation, natural calamity and other such factors over which the Company does not have any direct control.

FINANCIAL STATEMENTS

Independent Auditors' Report

TO THE MEMBERS OF MANAKSIA STEELS LIMITED

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including, the state of affairs(financial position) of the Company as at 31st March, 2017, its profit and its cash flows for the year ended on that date.

Annexure A to the Independent Auditors' Report

The Annexure referred to in our Independent Auditor's Report to the members of **MANAKSIA STEELS LIMITED** (the Company') on the financial statements for the year ended on 31st March 2017. We report that :

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to information and explanation given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The inventories have been physically verified during the year by the management at regular intervals. In our opinion and according to the information and explanations given to us, no material discrepancies were noticed on physical verification.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraph 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order is not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to Loans and Advances made, guarantee given and investments made.
- v. The Company has not accepted any deposits from the public.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under section 148 (1) of the Act, and are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- vii. According to the information and explanations given to us in respect of statutory dues:
 - (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Service Tax, Sales Tax, Value Added Tax, duty of Custom, duty of Excise, Cess and other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2017 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no material dues of duty of income tax, sales tax, duty of customs or excise which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of service tax have not been deposited by the Company on account of disputes :

Name of the Statute	Nature of Dues	Amount under dispute not yet deposited (Rs in Lacs)	Financial year to which the amount relates	Forum where the dispute is pending
The Finance Act 1994	Service Tax	3.15	2007-08	Assistant Commissioner of Central Excise, Haldia-1

- viii. In our opinion and according to information and explanations given by the management, we are of the opinion that the Company has not defaulted in the repayment of dues to financial institution, banks, government and debenture holders, if any.
- ix. To the best of our knowledge and belief and according to the information and explanations given to us, no term loans availed by the Company. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year.

- x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. According to the information and explanations given to us, the Company has paid/provided for managerial remunerations in accordance with the requisite approvals mandated by the provisions of Sec 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations give to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") :

We have audited the internal financial controls over financial reporting of Manaksia Steels Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 : SIGNIFICANT ACCOUNTING POLICIES

(Annexed to and forming part of the Financial Statements for the year ended 31st March, 2017)

I) Basis of preparation of Financial Statements

The financial statements have been prepared under historical cost convention in accordance with Generally Accepted Accounting Principles and the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of Companies (Accounts) Rules, 2014 and other provisions of the Act, to the extent applicable.

II) Revenue Recognition

Revenue from sale of goods in the course of ordinary activities is recognised when all significant risks and rewards of their ownership are transferred to the customer as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. Sales are net of trade discounts and other rebates. Revenue from services is recognised on rendering of services to customers. Dividend income is recognised when the right to receive payment is established. All other income are recognised on accrual basis.

III) Property, Plant & Equipment

a) Property, Plant & Equipment –

Property, Plant & Equipment are stated at cost of acquisition inclusive of duties (net of CENVAT/VAT), taxes, borrowing costs directly attributable to acquisition, incidental expenses and erection/ commissioning etc., upto the date, the asset is ready for its intended use.

b) Depreciation –

- i. Depreciation on Property, Plant & Equipment is provided on the straight line method over the estimated useful lives of assets and is in line with requirements of Part C of Schedule II of the Companies Act, 2013.
- ii. Depreciation includes amortisation of leasehold land over the period of lease.
- iii. The residual value of assets has been considered as five percent of the original cost of the assets as per Schedule II of the Act.
- iv. In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
- v. Software costs are amortized using the Straight Line Method over estimated useful life of 3 years.

IV) Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external/internal factor. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price and value in use of the assets. The estimated cash flows considered for determining the value in use, are discounted to the present value at weighted average cost of capital.

V) Foreign currency transaction

a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c) Exchange Differences

Exchange differences arising on the settlement/conversion of monetary items are recognized as income or expenses in the year in which they arise.

d) Forward Contract

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the respective contracts. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

VI) Investments

Long term Investments are stated at Cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment. Investments in foreign companies are considered at the exchange rates prevailing on the date of their acquisition. Current investments are carried at lower of cost or fair value of each investment. Short term Investments in liquid fund scheme of mutual funds have been stated at their NAV on year end date or purchase price whichever is less.

VII) Inventories

Inventories are valued as follows :

- a) Raw materials, finished goods, Stock in trade, Work in process, Packing materials and stores & spares are valued at lower of cost and net realisable value. Closing stock has been valued on Weighted Average basis.
- b) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.

VIII) Research & Development

Research and development expenditure of revenue nature are charged to Statement of Profit and Loss Account, while capital expenditure are added to the cost of fixed assets in the year in which these are incurred.

IX) Employee Benefits

- a) Short term employee benefits are charged off at the undiscounted amount in the year in which the related services are rendered.
- b) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

X) Earning Per Share

Basic earning per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XI) Excise Duty and Custom Duty

Excise duty on finished goods stock lying at factories is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods as on the Balance Sheet date. Custom duty on imported material in transit / lying in bonded warehouse is accounted for at the time, the same are released from Customs/ Bonded warehouse.

XII) Financial Derivatives and Commodity Hedging Transactions

In respect of derivative contracts, premium paid, gains/losses on settlement and provision for losses for cash flow hedges and restatement on Balance Sheet date are recognised in the Statement of Profit and Loss, except in case where they relate to borrowing costs that are attributable to the acquisition or construction of fixed assets, in which case, they are adjusted to the carrying cost of such assets.

XIII) Borrowing Costs

Borrowing Costs relating to acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

XIV) Taxation

Tax expenses comprises of current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and laws that have been substantially enacted as on the Balance Sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the company has carry forward unabsorbed depreciation and tax losses, deferred tax assets are recognised only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax asset can be realized.

XV) Segment Reporting

As the Company's business activity falls within a single primary business segment, viz. "Metals", the disclosure requirements of Accounting Standard-17 "Segment Reporting" are not applicable. The analysis of geographical segments is based on the areas in which the customers of the company are located.

XVI) Prior Period Expenses/Income

Material items of prior period expenses/income are disclosed separately.

XVII) Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.
