REPORT OF THE AUDITORS TO THE MEMBERS OF FAR EAST STEEL INDUSTRIES LIMITED

We have examined the Statement of Affairs of Far East Steel Industries Limited for the year ended 31st October, 2022 as set out on pages 4 to 6.

Directors' Responsibility for the Financial Statements

The Directors are responsible for the preparation and fair presentation of this Statement of Affairs in accordance with the International Financial Reporting Standards (IFRS) and with the requirements of the Companies And Allied Matters Act, 2020. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an independent opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with the ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements.

Basis of Opinion

The company which was incorporated on May 23, 2008, claimed that it has not engaged in any activity that falls within the legal definition of carrying on business in Nigeria that will result in reportable Naira income. Furthermore, it has given an undertaking in the Directors' Report to the effect that when it engages in such activity, it will be reported and full statutory financial statements would be prepared. Consequently, Statement of Affairs has been prepared in lieu. We saw no evidence, and we were not presented with any document or information to the effect that reportable Naira income was earned up to the relevant date.

Based on the information made available, together with the representations made by the directors, we believe that the company has not commenced business that will generate reportable Naira income as at the date of the Statement of Affairs. Consequent upon this, no profit or loss has arisen as at that date.

Opinion

Subject to the above, we are of the opinion that, the Statement of Affairs shows a true and fair view of the company's financial position as at October 31, 2022.

Report on other legal requirements

The Companies And Allied Matters Act, 2020 requires that in carrying out an audit we consider and report to you on the following matters. We confirm that:

- i. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- ii. in our opinion proper books of account have been kept by the company so far as it appears from our examination of those books; and the company's Statement of Affairs is in agreement with the books of account.
